AGI Industries

PRODUCT OFFERING

ELECTRICAL PRODUCTS

Pumps
Packaged Systems
Electrical & Automation

AGI Industries
An Employee Owned Company

AGI Industries Incorporated
 an ESOP company
www.agiindustries.com

We are a full-service industrial distributor and equipment integrator, offering a full range of industrial products, customized engineered solutions, and turnkey services.

We provide quality service, products and customized engineered packages to support the overall product life cycle needs for both, capital projects and component (MRO) replacement.

We work closely with you throughout the process to plan and delivery customized, on-time solutions, or as we like to say: *The right solution, at the right time.*

Product Offering

Automation & Instrumentation

- > Control devices
- > Control stations
- > Fieldbus technology
- > Gas monitoring
- > I/O
- > PLCs
- > Polymer mixing systems
- > Safety barriers
- > Sensors
- > Signaling devices
- > Terminal blocks
- > Wireless systems
- > Workstations

Lighting Systems

- > Turnkey solutions
- > Energy savings calculations
- > LED fixtures and controls
- > LED T5/T8 tubes
- > LED lamps
- > Explosion proof lighting

Our customer centered approach provides

Advantageous Vendor Relationships that leverages global sourcing and cost efficiency.

Extensive Service Suite that delivers execution excellence from all components of supply chain management to complete turnkey solutions.

Outstanding Customer Support that promotes proactive, reliable, and faster response times to improve customer satisfaction.

Technically Skilled Sales Team that provides expert support and industry knowledge to solve the most complex challenges.

Quality Assurance Program that drives continuous improvement around our products, services, and most importantly customer satisfaction.

Power Distribution

- > Capacitors
- > Circuit breakers
- > Contactors and relays
- > Control panels
- > Counters and timers
- > Drives
- > Fuses
- > Motor control centers
- > Motor controllers
- > Motor starters
- > Power fitters
- > Soft starters
- > Switchboards
- > Switchgear
- > Transformers

Power Transmission

- > Brakes
- > Clutches
- > Couplings
- > Encoders
- > Motors
- > Gear reducers
- > Resolvers
- > Tachometers

Components & Parts

- > Air conditioning and refrigeration parts
- > Carbon brushes
- > Drive parts
- > Enclosures
- > Festoon systems
- > Locomotive parts
- > Motor parts
- > Plugs and receptacles
- > Wore and cable

Specialized Solutions

- > Dual Fuel systems
- > Lightning elimination systems
- > Filtration systems
- > Well automation and control systems

Our Partners

“Solutions First” Equipment & Service Provider

AGI Industries is home to a vast array of experienced and creative electrical products, system and market experts, possessing the ability to solve the toughest challenges facing the market place today. From proper system design to diagnosing and mitigating equipment problems, AGI Industries brings knowledge, experience and premier distributed products to its clientele.
